Hawkeye Videoscopes

HAWKEYE®

PRECISION BORESCOPES

- *Fully Portable & Lightweight*
- *Video & Still Image Capture*
- *2 and 4-way Articulation*
- *Simple & Easy-to-Use*
- *Lengths up to 6 meters*
- *High Quality & Low Cost*

The new Hawkeye Videoscopes are the perfect choice when portability, and easy image capture, are key factors. These high-quality, affordably priced video borescopes are much more durable than fiber optic borescopes, low cost, and completely portable. They are 0-, 2- or 4-way articulating, and come complete with video monitor and light source, all in one easy-to-use device. The Hawkeye Pro and Classic Videoscopes are 6 mm or 8 mm in diameter, with either tungsten or gooseneck sheaths, and available in lengths of 1.5, 3.0, and 6.0 meters.

Hawkeye Pro Videoscopes
