

New HAWKEYE VIDEO BORESCOPIES from Gradient Lens.

The new Hawkeye Video Borescopes are the perfect choice when portability and easy image capture, are key factors. These high quality, affordably priced video borescopes are much more durable than fiber optic borescopes, low cost, and completely portable.

They are 0, 2 or 4 way articulating and come complete with video monitor and light source, all in one easy-to-use device.

The Hawkeye Pro and Classic Video Borescopes are 6 mm or 8 mm in diameter, with either tungsten or gooseneck sheaths and available in lengths of 1.5 and 3.0 meters. Custom lengths up to 6.0 meters available upon request

- Fully Portable & Lightweight
- Video & Still Image Capture
- 2- and 4-way Articulation
- Simple & Easy-to-Use
- Lengths up to 6 meters
- High Quality & Low Cost
